

U-TURNER

MAGNETIC DOOR SIGN

U-TURNER IS A DOOR SIGN FOR CONFERENCE ROOMS, OFFICES AND ALL OTHER PLACES WHERE YOU WOULD LIKE TO SHOW IF YOU ARE "RED" OR "GREEN", "OCCUPIED" OR "FREE", "BUSY" OR "AVAILABLE".

U-TURNER is a set of two magnetic door signs; one for each side of the door.

Each sign has a red side and a green side to show the status of respectively "occupied" or "free".

When you press lightly on top of the sign you change position on both sides of the door.

U-TURNER can also be used on your office door to show that you do not wish to be disturbed or to show that you are available.

The two signs are very easy to mount with double sided tape.

- Unlike other door signs U-TURNER can change and show status/position from the inside. This means that without even rising you can always check if you have remembered to put the sign in the right position. You do not have to open the door.
- U-TURNER changes from position "red" to "green" or the other way around by means of a magnetic system that works through doors with various thicknesses from 10mm to 40mm.
- U-TURNER has a user-friendly design that clearly shows if an office/room is free or occupied.
- The two signs are very easy to mount with double sided tape. This means that you need no tools to put it up. In that way you will also avoid holes in your door.
- Material: Semi-transparent injection moulded plastic / Size: W: 100mm, H: 20mm, D: 17mm
- Design: Anders Nørgaard
